North Queensland born, **Angelo Coco** has 30 years experience as a public accountant, consulting to prominent family business enterprises both local and overseas, to an extensive variety of business sectors and capacities.

Angelo is caring and passionate about business entrepreneurs achieving their goals both in family and business spheres, and particularly in having owners get the recognized value for their businesses, for the amount of effort that they put in!

#### Our clients have described him as:

- well prepared and organized
- presentations of a high standard
- researched our business sector appropriately
- passionate about business performance
- kept us informed of the process from start to finish
- well known to North Queenslanders and he is well regarded in public and business circles

Angelo is a former voluntary Director at Tec-NQ Ltd, and had a part-time role as a Project Coordinator with Future for Kids Qld & Future for Kids International Association Limited a registered Charitable Organisation. As Chair of a local education bursary fund for young business entrepreneurs, Angelo is keen on developing innovative industries in Townsville.
